Assessment Notes

The vehicle has sustained a moderate impact to the nearside rear area which is consistent with the reported incident details

HPI check shows the vehicle is a grey import.

The above costings are based on the images supplied and further damage/costs may be found when stripped.

Refer to valuation report for breakdown of pre-accident value @ £12,204.00, based on highest guide retail values from CAP, Glass's and Percayso* guides as per the Ombudsman guidelines @ £12,395.00, £13,710.00 and £0.00** = less £150.00 for old damage and less £1356.00 as grey import = PAV £12,204.00.
NB P/H PAV £10,000.00

*Where Audatex states Parkers Valuation read Percayso

**Percayso don't value the vehicle.
