REPAIRER DETAILS – please advise if repairable and will look to allocate

Tel:
Fax:
Email:
Engineer to Estimate Unknown

We would be obliged if you could contact the repairing garage and/or the client as appropriate and agree figures with the repairer – **do not authorise repairs**. Please do not agree a contract repair in excess of 80% of the vehicle value. All contract repairs must be fully itemised.

Please confirm if the vehicle is un-roadworthy and/or illegal to drive.

Vehicle Status – Undriveable

Please could you check the damage for consistency with the following accident circumstances?

Our client was stationary in the left hand lane on the A5127 in Birmingham on the approach to a roundabout where our client was going to take the first exit onto High Street. This Portion of the A5127 has three lanes for travel in our client's direction and two lanes in the opposite direction. You insured was proceeding in the middle lane and has merged into our client's lane and has pushed them up against the curb and along the road, damaging the offside front of our client's stationary vehicle. Details exchanged at the scene.

Damage Area – Front Offside: Heavy
Offside front wing and bumper ripped off
Sharp edges
Wing mirror off
Offside front wheel damaged
TP Vehicle: VOLVO []
TP Registration: PN69BYW
TP Representative Name: Keoghs LLP

If you need any further information please contact us on 0800 093 0982 selecting option 2.

Yours faithfully
