Engineer to Estimate Unknown

We would be obliged if you could contact the repairing garage and/or the client as appropriate and agree figures with the repairer – **do not authorise repairs**. Please do not agree a contract repair in excess of 80% of the vehicle value. All contract repairs must be fully itemised.

Please confirm if the vehicle is un-roadworthy and/or illegal to drive.

Vehicle Status – Undriveable

Please could you check the damage for consistency with the following accident circumstances?

Our client was stationary in the Virgin Active Car Park at the Riverside Retail Car Park in Northampton whilst our client was waiting to park in a parking bay. Your insured, to the left of our client, has pulled forward from a parking bay and collided with the front nearside of our client's vehicle. Your insured provided his telephone number and our client took images of the vehicle at the scene of the accident.

Damage Area – Front Nearside: Moderate - Front nearside wing is dented - Bottom of the bumper is cracked and sharp edges - Wheel arch panel out of line - headlight pushed in - fog light missing -
