Dear Sirs

RE: Vehicle Valuation Report: Hassan Salah BP13 UVC

In accordance with your instructions received requesting us to provide an independent assessment, our findings are as detailed below:

Make	Land Rover	Registration	BP13 UVC
Model	Range Rover Evoque	Sub Model	Dynamic
Exterior Condition	Excellent	Glass's Retail	£18,020.00
Engineers Value	£20,000.00	Mileage	20,500

Our valuation is based on consideration of the purchase price, the Glass's guide value and the comparable advert found. These three attachments should be reviewed along with this report.

To compile our report, we have reviewed the; Purchase invoice, V5c, image of the vehicle and the owner has provided the mileage and date of loss. I understand the vehicle has been stolen and the valuation is disputed.

We trust this meets with your requirements however should you have any further queries, please don't hesitate to contact us either by phone or by emailing us.

Yours faithfully
