DESKTOP ASSESSMENT

This report has been compiled from a desktop review of the information available relating to this claim.

NATURE OF INCIDENT

The vehicle has suffered moderate collision/impact damage to the left hand side.

ENGINEER'S COMMENTS

23/08/2022 - Please note the vehicle is unroadworthy due to the impacted/misaligned nearside rear wheel.

VEHICLE HISTORY CHECK

22/08/2022 - According to the Experian database; there is a plate change on record

UNRELATED DAMAGE

We noted the following damage on the vehicle which does not appear to relate to the claim under review and we have therefore classed it as unrelated damage; Previous poor repairs to the nearside. Paint faded.

PRE-INCIDENT CONDITION

The vehicle is considered to be in poor condition for its age and type.

SETTLEMENT

We consider that an equitable settlement would be £2,430.00 which represents the pre-accident engineer value of the vehicle of £2,700.00 less the value of the salvage of £270.00.

SALVAGE

Under the current salvage categorisation matrix this would be Category 'N' meaning there was no apparent structural damage evident within the scope of our inspection. Further information is available at www.abi.org.uk. We suggest that the sale of the salvage will realise in the order of £270.00. **We have not taken any action towards removal of the salvage at this time.**

Statement of Truth

I declare that I understand my duty in providing this report to the court and I confirm that I have complied with that duty. I understand that this duty overrides any other obligation. The report is based upon instructions received.

I confirm that I have made clear facts and matters referred to in this report are within my own knowledge and which are not. Those are within my own knowledge I confirm to be true. The opinions I have expressed represent my true and complete professional opinion on the matters to which they refer.

We have used Glass's Evaluator to assist with the valuation of the vehicle and Thatcham and / or manufactures data to compile the repair specification. Parts prices are subject to fluctuations and further damage may be found upon dismantling the vehicle. Our valuation is based on the mileage information provided and assuming that the vehicle has a valid MOT certificate (where applicable) to support such.

We appreciate your instructions and enclose our fee note for your kind attention, which we confirm remains payable irrespective of the outcome of this case. Please ensure this is passed to your accounts department.

Yours faithfully
